

Real Nappy Cashback

It's your choice

In its early years a baby will get through an astounding 5,000 disposable nappies!

Real nappies are made of cloth and can be used over and over again. They reduce the amount of waste sent for disposal and also the amount of energy and non-renewable resources used to produce disposables.

Changing style

There's not a safety pin in sight with Real Nappies, so they're simple to use. They come in lots of modern and funky styles that fasten easily with poppers, velcro or nifty little plastic grips so the nappy fits your baby snugly.

Real nappies can be easily washed at home or nappy laundering services are available.

Save money

The Women's Environmental Network has calculated that buying and washing your own nappies can save you over £600 for your first baby compared to the cost of disposables.

Savings could be even greater with a second or third child.

If you buy your own re-usable nappies or join a nappy laundering scheme your local authority, in partnership with Hertfordshire County Council will reimburse you up to £50.

WasteAware

Helpline: 0300 1234 051

www.wasteaware.org.uk

The WasteAware campaign set up by the Hertfordshire Partnership of Councils, provides residents with information and advice on waste and recycling issues.

HL1 / April 2010

£50 cashback if you choose re-usable nappies

The WasteAware partnership of councils would like to thank those Hertfordshire residents who avoid the mountain of waste created by the use of disposable nappies. If you buy your own re-usable nappies or join a nappy laundering scheme, your local authority, in partnership with Hertfordshire County Council, will reimburse you up to £50 towards the cost.

Please fill in the details on the left and return to the recycling department of your local council marked 'Nappy cashback scheme'. For more details or to find the address of your local council visit www.wasteaware.org.uk or call 0300 1234 051.

This offer only applies to Hertfordshire residents. Only one discount may be claimed per family. The child must be below two years of age.
